MEMORANDUM FOR: Acting Director of Training

SUBJECT : Proposal for the Establishment of a National Security Lecture Series.

REFERENCE : Memorandum dated 15 Sep 52 for DD/P, DD/I and DD/A from Director of Training, same subject.

1. I am sure that the "National Security Lecture Series" proposed in the referenced memorandum would be extremely interesting. However, in general, insofar as personnel in the offices of the Deputy Director (Administration) are concerned, I believe that it would be more profitable for them to continue their normal duties than to take time off for attendance.

2. If such a program is actually undertaken as a result of requirements of other Offices, this Office would appreciate the opportunity of discussing your requirements for personnel, equipment, space, funds, etc., involved in the administration of this program. In this connection, please refer to my memorandum of 18 September in which I transmitted to you the substance of the Director's comments on this subject.
